Statement of the Board of Management and the Supervisory Board of SGL Carbon SE on the German Corporate Governance Code pursuant to Sec. 161 German Stock Corporation Act (Declaration of Compliance 2019)

The Board of Management and the Supervisory Board of SGL Carbon SE declare:

SGL Carbon SE has been in full compliance with the recommendations of the "Government Commission on the German Corporate Governance Code" ("*Regierungskommission Deutscher Corporate Governance Kodex*") in the version dated February 7, 2017 (published on April 24, 2017, corrigendum to this publication on May 19, 2017) as published by the Federal Ministry of Justice and Consumer Protection in the official notice section of the German Federal Gazette since the execution of the last Declaration of Compliance in September 2018 and will be in full compliance going forward, except for the following deviation:

- Clause 4.2.1 sentence 1: On August 14, 2019, the Chairman of the Management Board of the Company announced his imminent resignation from the management board with effect of August 31, 2019. Since the departure of the Chairman of the Management Board and until the appointment of a successor, the Company's Management Board consists of only one member. The search for a successor is vigorously pursued by the Company, however, for the transitional period until the appointment of a successor to the Chairman of the Management Board, the Company does not meet the recommendation under Clause 4.2.1 sentence 1, according to which the Management Board of a listed company shall consist of several members and shall have a chair or Spokesperson.

The Corporate Governance Principles of SGL Carbon SE furthermore satisfy a majority of the non-obligatory suggestions of the German Corporate Governance Code.
